

SaniClean

1 liter 62591301

Sanitary cleaner for circular cleaning

SaniClean is a concentrated cleaner for daily circular cleaning in the sanitary area with powerful cleaning and descaling function for use in washrooms, showers, toilets and urinals that easily remove all dirt from water-resistant surfaces. Pleasantly perfumed.

Use

For professional circular cleaning in the sanitary area such as shower and sanitary ware.

Method

For damp or wet cleaning. Rinsing not necessary.

Dosage

Normal cleaning: 40 ml to 8 liters of water. Light cleaning: 25 ml to 8 liters of water. For precise dosing, use dosing cap 62526007 or dosing pump 62526005.

Nordex Green is a series of **Cradle to Cradle** certified cleaners that have a minimal impact on the environment throughout their life cycle. Based on ingredients that are biodegradable and mostly plant-based.

Cradle to Cradle stands for a new concept with a comprehensive program for the design of products with regard to the use of materials and manufacturing. The program evaluates a product's safety for humans, the environment and the design for future life cycles. Also focuses on using safe materials that can be recycled as technical nutrients or composted as biological nutrients.

- Cradle to Cradle certified
- Sustainable
- Biodegradable
- Renewable raw materials of vegetable origin
