

GlassClean

750 ml 62591601

Glass cleaner for circular cleaning

GlassClean is an effective ready-to-use spray cleaner for daily circular cleaning of glass, mirrors and other smooth surfaces. Strip-free, leaves no residue. Unscented.

Use

For professional circular cleaning of windows, glass and mirrors.

Method

Spray the product on the surface to be cleaned and wipe with a damp cloth, preferably made of microfiber. For heavily soiled surfaces, allow the product to act for a while before wiping. Avoid contact with wood, aluminum and porous surfaces.

Dosage

Ready to use. Foam trigger

Nordex Green is a series of **Cradle to Cradle** certified cleaners that have a minimal impact on the environment throughout their life cycle. Based on ingredients that are biodegradable and mostly plant-based.

Cradle to Cradle stands for a new concept with a comprehensive program for the design of products with regard to the use of materials and manufacturing. The program evaluates a product's safety for humans, the environment and the design for future life cycles. Also focuses on using safe materials that can be recycled as technical nutrients or composted as biological nutrients.

- Cradle to Cradle certified
- Sustainable
- Biodegradable
- Renewable raw materials of vegetable origin
